**Subject:** Ethics Commission Vacancy

Dear Ms. Davis-Cook,

I write to indicate an interest in the referenced vacancy. My wife and I have been residents in the Village since January, 1980. I am an attorney, currently employed with the Pension Benefit Guaranty Corporation ("PBGC") in Washington, DC (a US government agency). In my past, I was the Alternate Agency Ethics Official at PBGC which had me reviewing financial disclosure forms, addressing questions raised under the federal ethics laws, and counseling new and departing federal employees of the restrictions those laws would place on them.

I would like to discuss the requirements of the Commission position further with you at your convenience. Please feel free to call me at my office (202-326-4020, ignore the recording and punch in 3033) or at home (301-652-4518).

Yours very truly,  
Frank H. McCulloch (I am also known as Scot McCulloch)  
Senior Counsel
